This is a vertical goal-setting card template. It features a light beige background with a dark grey border. At the top, there's a triangular hanging mechanism with a black dot at its apex. The main body of the card is white and contains horizontal orange lines for writing. The word "Goals" is written in a large, bold, dark grey font at the top of the lined area. Below it are ten more horizontal orange lines for additional goals or notes. The card is flanked by two vertical orange bars on either side, which have rounded ends at the bottom.
